Wooden Cutlery

---

Made from Birchwood

Spoon. Knif. Fork. Spork. Stirrer. Sick

Introduction :

## We Are SBL INTERNATIONAL

As global consumers become increasingly conscious of their consumption habits, we are committed to delivering foodservice packaging solutions that enable brands to respond rapidly to these evolving preferences. At SBL INTERNATIONAL, we are dedicated to shaping a sustainable future for businesses and the planet through innovative and eco-friendly packaging solutions.

At SBL INTERNATIONAL, we specialize in manufacturing and exporting a wide range of bio-friendly products. Among our flagship offerings are SUGARCANE BAGGASE TABLEWEAR, KRAFT PAPER DISPOSABLE TABLEWEAR & WOODEN CUTLERY. We take pride in being recognized as one of the leading manufacturers, exporters, and suppliers of these eco-conscious alternatives.

We believe in not only providing eco-friendly alternatives but also in contributing to the socio-economic development of rural areas. We actively engage in employing individuals from rural communities, providing them with fair wages and opportunities for growth.

Join us in our journey towards a greener and more sustainable future. Choose SBL INTERNATIONAL for all your eco-friendly packaging needs.
